

GOVERNMENT OF HARYANA · LEGAL KNOWLEDGE SYSTEM

User Manual

Uploader

A complete, step-by-step guide to every Uploader function — uploading a document with relationships, cross-department duplicate detection and linking, editing an existing document, attaching Sections/Schedules/Annexures to an Act, and tracking it all from your dashboard.

 **Uploader**

Contents

- 1 Signing In** — Portal selection, official login and the on-page security check

- 2 Your Dashboard** — Quick actions, upload stats, and the My Uploads table

- 3 Uploading a Document** — Type, file check, details form, and linking a related document

- 4 Duplicate Detection & Linking** — What happens when the same document already exists in another department

- 5 Editing a Document** — Updating a document you've already uploaded

- 6 Add Documents** — Attaching Sections, Schedules, Annexures, Appendices and Forms to an Act

- 7 Tracking Your Uploads** — Everything reflected live on your dashboard

SECTION 1

Signing In

Every official user starts here, before landing on their role's dashboard.

1 Choose your access type

On the landing page, click **Official Access** → **Login with Credentials**. Public Access needs no login; Admin Access uses a separate mobile-OTP flow reserved for system administrators.

Portal selection screen — three access types.

2 Enter your username and password, and solve the security check

Type your username and password. A live-generated image (with an audio alternative) sits below the password field and must be answered correctly before Login activates.

Login form filled in — uploader1, with the security check solved.

Tested with accounts: **uploader1** (Hartron) and **uploader** (CS Haryana) – two different departments, needed to demonstrate cross-department duplicate linking in Section 4.

Your Dashboard

This is what you land on right after signing in.

1 Quick actions

Upload New Document, **Edit Document**, and **Add Documents** (for attaching Sections/Schedules/Annexures to an existing Act) sit at the top as one-click shortcuts — covered in Sections 3, 5 and 6 of this guide respectively.

2 Stats and My Uploads

Total Uploads / Approved / Pending Review / Rejected counts, followed by every document you have ever uploaded — searchable, filterable by type, and sortable by Date, Title, Status or Type. Each row lets you View the file, check its version history, or (once reviewed) read the approver’s Remarks.

Uploading a Document

Click the **Upload New Document** quick action to start the wizard.

1 Select the Document Type

The form stays locked until a type is chosen. Each type — Act, Amendment, Notification, Circular, Policy, Rules & Regulations, Order/Gazette, Bye Laws, Ordinance, Miscellaneous — asks for a different set of fields further down, so pick it first.

SECTION 3

Uploading a Document — continued

2 Attach and check the file

Drag a PDF or Word file onto the dropzone, or click to browse — up to 50 MB. **Upload & Check Document** runs an OCR-eligibility check and, if it passes, auto-drafts a description straight from the file's content — editable afterwards.

The screenshot shows the 'Govt Of Haryana Digital Repository' interface. At the top, there's a header with the logo and navigation icons. Below it, a breadcrumb trail shows 'Home > Upload'. A 'DOCUMENT TYPE' bar contains buttons for 'Act', 'Amendment', 'Bye Laws', 'Circular', 'Miscellaneous', 'Notification', 'Order / Gazette', 'Ordinance', 'Policy', and 'Rules & Regulations'. The 'Act' button is selected. Below this, a file upload area shows 'demo-act.pdf' (1.6 KB) with a close button. A large blue button labeled 'Upload & Check Document' is prominently displayed. The footer section includes the Government of Haryana logo and name, a description of the repository, 'WEBSITE POLICIES' (Privacy Policy, Terms of Use, Hyperlink Policy, Copyright Policy), 'HELP & SUPPORT' (FAQs, Screen Reader Access, Right to Information, Feedback, Contact Us), and 'NAVIGATION' (Sitemap, Related Links, Accessibility, Disclaimer). It also mentions 'Digital India' and 'This website belongs to the Government of Haryana, developed & maintained by HARTRON.' The last updated date is '27 July 2026' and there's a link to the 'Accessibility Statement'.

File attached, ready to check.

The screenshot shows the 'Document Details' form for 'demo-act.pdf' (1.6 KB). The form is unlocked and contains various input fields for document information. The fields are organized into rows and columns. The first row contains 'ACT / INSTRUMENT NAME' (e.g. Haryana Municipal Act, 1973), 'ACT NUMBER' (e.g. Act No. 12 of 1973), 'YEAR' (YYYY), 'SHORT TITLE' (e.g. Haryana Municipal Act), 'LONG TITLE' (Full formal title of the Act), and 'REGIONAL TITLE' (Title in the regional / Hindi language). The second row contains 'ISSUE DATE' (dd-mm-yyyy), 'EFFECTIVE FROM' (dd-mm-yyyy), and 'GAZETTE REFERENCE' (e.g. Haryana Gazette, 15 Jan 1973). The third row contains 'NOTIFICATION NO.' (e.g. Notification No. 45/2021), 'ACT ID (if available)' (Numbers and hyphens only), and 'S.O. REASON' (Reason for the statutory order). The fourth row contains 'DEPARTMENT' (Hartron), 'RELATIONSHIPS' (Add Reference Act), and 'NO. OF RULES' (Enter only numeric value). The fifth row contains 'NO. OF NOTIFICATIONS' (Enter only numeric value), 'NO. OF REGULATIONS' (Enter only numeric value), and 'NO. OF CIRCULARS' (Enter only numeric value). The sixth row contains 'NO. OF STATUTES' (Enter only numeric value), 'NO. OF ORDINANCES' (Enter only numeric value), and 'NO. OF ORDER' (Enter only numeric value). The final row is for 'KEYWORDS'.

Eligibility check passed — the Document Details form unlocks.

SECTION 3

Uploading a Document — continued

3 Fill in the required fields

For an Act: Act/Instrument Name, Act Number, Year and Issue Date are required (marked *). Non-Act types (Notification, Circular, etc.) instead require a **Legal Authority** to be set first — see Section 4 for that flow in practice.

Uploading a Document — continued

5 Submit for Approval

A green toast confirms the submission by name, and the document moves to **pending** status — visible to your department’s Approver from this point on.

Submitted successfully — pending approval.

Duplicate Detection & Linking

What happens when you upload a document that already exists somewhere in the system — either your own department, or another one entirely.

1 Type the same name a second time

The system checks for a name + type match the moment you leave the Document Name field. If a match already exists **in your own department**, it offers to upload this as the next version instead of a brand-new document. If the match is **in another department**, it offers to send that department a link request instead — this is the case demonstrated here: uploader1 (Hartron) uploading a Notification already submitted by uploader (CS Haryana).

"Document Already Exists" — a match found in CS Haryana, a different department.

Duplicate Detection & Linking — continued

2 Link to My Department

Instead of creating a duplicate copy, this sends a request to the owning department’s Approver asking permission to reuse their document under your department too. Once approved, it shows up in your Linked Documents — sharing one source of truth instead of two disconnected copies.

Preview

The Haryana Manual Demo Act, 2026, establishes a uniform procedure for generating and verifying documentation manuals for the Haryana Legal Knowledge System. The main purpose of this act is to standardize the process of creating and validating these manuals. Key provisions include the definition of "manual" as a step-by-step guide captured from live application, and the act's immediate commencement upon enactment.

Clear All

Submit for Approval

Existing "Notification" Documents Under This Act

Request sent — the modal closes and the draft upload is abandoned since linking is the better fit here.

This is a real request – it now sits in CS Haryana’s Approver queue under Link Requests, pending a decision.

Editing a Document

Menu: **Edit Document** — update details of something you've already uploaded.

1 Pick a type, then a document

The same type picker as Upload, but this time it filters your existing documents of that type. Approved documents show as **Locked** — once published, only a correction request (not a direct edit) can change them; Pending and Rejected documents stay directly editable.

Choosing which document type to edit.

Editing a Document — continued

2 Update and save

The same fields as the upload form open in a side panel — name, reference number, dates, legal authority, description, and every type-specific field. Save Changes updates the record in place.

Haryana Manual Demo Act

VERSION

1.0

DESCRIPTION

The Haryana Manual Demo Act, 2026 is an Indian state law aimed at establishing a uniform procedure for creating and verifying documentation manuals for the Haryana Legal Knowledge System. The main purpose of this act is to ensure consistency and quality in generating documentation guidelines. Key provisions include: (1) giving the Haryana Manual Demo Act, 2026 (282826) the status of a law.

The Haryana Manual Demo Act, 2026 (282826) updated successfully

Updated successfully — back on the document list.

SECTION 6

Add Documents

Menu: **Add Documents** — attach Sections, Schedules, Annexures, Appendices or Forms to an Act you've already uploaded.

1 Pick a part, then the parent Act

Choose which kind of part you're attaching — Sections, Schedule, Annexure, Appendix or Forms — then pick which of your department's Acts it belongs to.

The screenshot shows the 'Add Documents' interface of the Government of Haryana Digital Repository. At the top, there's a header with the government logo and a notification banner stating 'The Haryana Manual Demo Act, 2026 (282826)' was updated successfully. Below the header, the page title 'Add Documents' is followed by a sub-instruction: 'Attach supporting parts of an Act — pick a section below, then upload its files'. The main content area, titled 'Document Part *', prompts the user to 'Choose which part of the Act you're attaching to get started'. It features five selectable options: 'Sections' (Numbered sections of the Act), 'Schedule' (Tables and lists attached to the Act), 'Annexure' (Supporting annexed documents), 'Appendix' (Additional reference material), and 'Forms' (Prescribed forms under the Act). The footer contains four columns of links: 'Government of Haryana' information, 'WEBSITE POLICIES' (Privacy, Terms, Hyperlink, Copyright), 'HELP & SUPPORT' (FAQs, Screen Reader, Right to Information, Feedback, Contact Us), and 'NAVIGATION' (Sitemap, Related Links, Accessibility, Disclaimer).

Document Part picker — five kinds of supporting content.

2 Choose a structure

For Sections specifically: pick **Add Chapters and Sections** to group sections under numbered chapters (like India Code), or **Add Sections** for a flat list with no chapter grouping — whichever matches how the parent Act is actually organised.
